

THE 14th SLOVENIAN INSURANCE CONFERENCE
Portorož, 31 May and 1 June 2007

CALL FOR PAPERS

On 31 May and 1 June 2007, the Slovenian Insurance Association is organising its 14th Slovenian Insurance Conference. The purpose of this traditional annual event is to bring together respected national and international experts and invite them to debate the current issues in the industry.

The dynamic nature of the global economy requires flexibility and adaptability from all sectors of economy. Events in the financial sector, particularly in the insurance industry, have followed the general economic trends. Slovenian companies and the Slovenian financial sector are far from being excluded from global events. Slovenia's accession to the European Monetary Union has been accompanied by intense reorganisation of Slovenian companies. Notably, the insurance industry has enjoyed higher growth rates than the economy in general, which is mostly due to the changes in the organisation, procedures, human resources and IT systems undertaken by our insurance companies. These are some of the current topics we intend to focus on at this year's conference.

We would like to invite all interested persons to send in their paper proposals on the main topic: *“The Development of Organisations and Procedures in the Insurance Industry”*, focusing on the following main areas: Human Resources, Organisations, Procedures and IT Systems in the Insurance Industry, as well as any other current insurance topic.

We are inviting Slovenian and foreign experts in the above-mentioned fields to send in contributions, so that we can prepare the widest possible overview of trends in the insurance industry and supply information to anyone interested about the development ambitions of the Slovenian insurance industry.

We would like to ask you to prepare your proposals in line with the Terms and Conditions Proposing a Paper for the Slovenian Insurance Conference, which you will find enclosed, and send them by 7 February 2007 to the following address: Slovensko zavarovalno združenje, g.i.z., Ljubljana, Železna cesta 14 or by e-mail: milena.bergant@zav-zdruzenje.si.

Looking forward to your participation, we remain,

Sincerely yours,

Ljubljana, 16 January 2007

Mag. Mirko Kaluža, Director
of the Slovenian Insurance Association

Mag. Andrej Kocič, President
