3. MEDNARODNA KONFERENCA O ZAVAROVALNIŠKIH PREVARAH |

3rd INTERNATIONAL INSURANCE FRAUD CONFERENCE

3. in 4. december 2026 | December 3 - 4, 2026

RIKLI BALANCE HOTEL BLED (preddverje dvorane Arnold | foyer of Arnold hall)

Mednarodna konferenca o zavarovalniških prevarah je strokovni dogodek, namenjen izmenjavi znanja, izkušenj in najboljših praks s področja preprečevanja in odkrivanja zavarovalniških prevar. Dogodka se bo udeležilo okrog 170 udeležencev iz Slovenije in tujine.

Konferenca odpira vrata v svet najnovejših raziskav, inovacij ter strategij za obvladovanje zavarovalniških prevar. Konferenca bo osvetlila najnovejše trende, analize primerov in učinkovite pristope k preprečevanju in odkrivanju zavarovalniških prevar. Namenjena je zavarovalniškim in pravnim strokovnjakom, policijskim in pravosodnim organom, izvedencem, detektivom in preiskovalcem ter strokovnjakom s področja tehnologij in podatkovne analitike.

Cilj konference je krepitev mednarodnega sodelovanja, izobraževanje o najnovejših trendih in tehnikah v boju proti zavarovalniškim prevaram ter dvigovanje ozaveščenosti o pomenu etike in transparentnosti v zavarovalništvu.

Nudimo vam izredno priložnost vzpostavitve in utrjevanja poslovnih vezi z udeleženci naše konference. Sodelovanje na konferenci vam prinaša možnost neposrednega komuniciranja z zavarovalniškimi, pravnimi strokovnjaki ter drugimi udeleženci dogodka. Sponzorstvo je odlična priložnost, da si zagotovite večjo prepoznavnost v zavarovalniški javnosti. Ne zamudite priložnosti, da postanete vidni in vplivni v strokovni skupnosti.

The International Insurance Fraud Conference is a professional event dedicated to the exchange of knowledge, experience, and best practices in the field of prevention and detection of insurance fraud. The event will bring together around 170 participants from Slovenia and abroad.

The conference opens the door to the world of the latest research, innovations, and strategies for tackling insurance fraud. It will shed light on the newest trends, case analyses, and effective approaches to the prevention and detection of insurance fraud. The conference is aimed at insurance and legal professionals, law enforcement and judicial authorities, investigators and detectives, as well as specialists in technology and data analytics.

The goal of the conference is to strengthen international cooperation, provide education on the latest trends and techniques in the fight against insurance fraud, and raise awareness of the importance of ethics and transparency in the insurance industry.

We offer you an exceptional opportunity to establish and strengthen business ties with the participants of our conference. Participation in the conference gives you the chance to communicate directly with insurance and legal experts, as well as other attendees. Sponsorship is an excellent opportunity to ensure greater visibility within the insurance community. This is an excellent opportunity to enhance your visibility and influence within the professional community.
